MEMORANDUM FOR: Deputy Director for Administration

FROM : F. W. M. Janney
Director of Personnel

SUBJECT : Executive Level Pay Raise

I called Mr. Jacobson, the Civil Service Commission Executive Director, concerning the pay raise for EP-IV/V. Since he had never heard of "EP" we had a momentary problem. He said that it was the intention of Congress to include the whole Executive Level, as specified in Title V, Section 5311 and 5317. He said that he is an Executive Level V career officer and does not get the raise. After further conversation, he said he would have a Joe Damico call me back with more details. Instead, I received a call from a Jim Woodruff, Pay Systems Specialist, Bureau of Policies and Standards, CSC, who said that there were many jobs in the Executive Branch that were not listed in either section of Title V and that those individuals should all receive the pay raise. He added that there was a decision by the Comptroller General on this subject and that he would send it out to me.
